## PROPOSAL 2

### AMENDMENTS TO THE PRICELINE.COM INCORPORATED 1999 OMNIBUS PLAN

In February 1999, the Company established the priceline.com Incorporated 1999 Omnibus Plan (the "1999 Omnibus Plan" or the "Plan"), pursuant to which awards are made to certain officers, other employees, consultants and directors of the Company from time to time. The maximum number of shares of Common Stock originally reserved for the grant or settlement of awards under the 1999 Omnibus Plan was 9,375,000, subject to adjustment pursuant to the terms of the Plan. On April 24, 2000, at the Company's 2000 Annual Meeting, the Plan was amended to, among other things, increase the maximum number of shares of Common Stock reserved for the grant or settlement of awards under the Plan from 9,375,000 to 25,375,000. Of such number, as of March 31, 2001, options covering 16,170,829 shares of Common Stock were outstanding under the Plan and 7,570,000 shares of restricted Common Stock were issued and outstanding under the Plan.

The Board of Directors proposes that the 1999 Omnibus Plan be amended as follows: to (1) increase the maximum number of shares of Common Stock reserved for the grant or settlement of awards under the Plan from 25,375,000 to 35,375,000, subject to adjustment pursuant to the terms of the Plan, and (2) increase the number of

6

shares of Common Stock subject to the annual stock options granted to non-employee directors from 10,000 each to 20,000 each, subject to adjustment pursuant to the terms of the Plan.

To approve the proposed amendments to the 1999 Omnibus Plan, a majority of the outstanding shares of Common Stock present, in person or by proxy, must vote in favor of the proposed amendments. The Board of Directors believes that providing directors, officers and employees with equity incentives such as stock options will contribute substantially to the Company's future success by further aligning the interests of management with those of the Company's stockholders. Further, the Company's overall compensation philosophy places significant emphasis on equity incentives and, in the case of non-employee directors, compensation is entirely in the form of equity incentives. THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR PROPOSAL 2.

The proposed Amendment Number Two to the 1999 Omnibus Plan, is attached hereto as Appendix A and reference is made to the Appendix for a complete statement of the amendment. A description of the 1999 Omnibus Plan, as it is proposed to be amended, follows. This description is only a summary and is qualified in its entirety by the provisions of the 1999 Omnibus Plan, which is attached hereto as Appendix B, and Amendment Number Two thereto. Terms not defined herein have the meanings given to such terms in the 1999 Omnibus Plan.

### SUMMARY OF PRICELINE.COM INCORPORATED 1999 OMNIBUS PLAN

The 1999 Omnibus Plan is intended to promote the interests of priceline.com by providing employees of priceline.com with appropriate incentives and rewards to encourage them to enter into and continue in the employ of the Company and to acquire a proprietary interest in the long-term success of the Company; and to reward the performance of individual officers, other employees, consultants and directors in fulfilling their responsibilities for long-range achievements.

#### GENERAL

The 1999 Omnibus Plan provides for the granting of awards to such officers, other employees, consultants and directors of priceline.com and its affiliates as the Compensation Committee, which is the committee of the Board of Directors appointed to administer the Plan, may approve from time to time. Awards under the 1999 Omnibus Plan may be made in the form of incentive stock options, non-qualified stock options, restricted stock or other awards.

The maximum number of shares of Common Stock reserved for the grant or settlement of awards under the 1999 Omnibus Plan is currently 25,375,000 subject to adjustment as provided in the Plan. As described above, it is proposed that the maximum number of shares of Common Stock reserved for the grant or settlement of awards under the 1999 Omnibus Plan be increased to 35,375,000. The maximum number of shares of Common Stock that may be awarded in respect of options, restricted stock and other awards to a single individual in any given year may not exceed 9,375,000, 3,125,000 and 6,250,000, respectively, which amounts are subject to adjustment as described below. Awards (either as options, restricted stock or other awards) will be made in a manner consistent with Section 162(m) of the Internal Revenue Code of 1986, generally referred to as the "Code." Shares of Common Stock acquired upon the exercise or settlement of awards may, in whole or in part, be authorized but unissued shares or shares that shall have been or may be reacquired by priceline.com in the open market, in private transactions or otherwise. If any shares subject to an award are forfeited, canceled, exchanged or surrendered or if an award otherwise terminates or expires without a distribution of shares to the holder of such award, the shares of Common Stock with respect to such award will, to the extent of any such forfeiture, cancellation, exchange, surrender, termination or expiration, again be available for awards under the 1999 Omnibus Plan.

Except as provided in an agreement evidencing the grant of an award, in the event that the Compensation Committee determines that any dividend or other distribution (whether in the form of cash, Common Stock, or other property), recapitalization, stock split, reverse split, reorganization, merger, consolidation, spin-off, combination, repurchase, or share exchange, or other similar corporate transaction or event, affects the Common Stock such that an adjustment is appropriate in order to prevent dilution or enlargement of the rights of holders of awards under the 1999 Omnibus Plan, then the Compensation Committee will make such equitable changes or adjustments as it deems necessary or appropriate to any or all of the:

7

- o number and kind of shares of Common Stock or other property (including cash) that may thereafter be issued in connection with awards,
- o number and kind of shares of Common Stock or other property, including cash, issued or issuable in respect of outstanding awards,
- o exercise price, grant price, or purchase price relating to any awards, provided that, with respect to incentive stock options, such adjustment shall be made in accordance with Section 424(h) of the Code,
- o performance criteria with respect to an award, and
- o individual limitations applicable to awards.

#### ADMINISTRATION

The 1999 Omnibus Plan is administered by the Compensation Committee, the composition of which is intended to satisfy the provisions of Section 162(m) of the Code and Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended, which is generally referred to as the "Exchange Act". The Compensation Committee has the authority, in its sole discretion, subject to and not inconsistent with the express provisions of the 1999 Omnibus Plan, to administer, and to exercise all the powers and authorities either specifically granted to it under the 1999 Omnibus Plan or necessary or advisable in the administration of the 1999 Omnibus Plan, including, without limitation, the authority to grant awards; determine the persons to whom and the time or times at which awards shall be granted; to determine the type and number of awards to be granted, the number of shares of Common Stock to which an award may relate and the terms, conditions, restrictions and performance goals relating to any award; determine whether, to what extent, and under what circumstances an award may be settled, canceled, forfeited, exchanged, or surrendered; make adjustments in the performance goals in recognition of unusual or non-recurring events affecting priceline.com or the financial statements of priceline.com, to the extent not inconsistent with Section 162(m) of the Code, if applicable, or in response to changes in applicable laws, regulations, or accounting principles;

construe and interpret the 1999 Omnibus Plan and any award; prescribe, amend and rescind rules and regulations relating to the 1999 Omnibus Plan; determine the terms and provisions of agreements evidencing awards; and make all other determinations deemed necessary or advisable for the administration of the 1999 Omnibus Plan.

The Compensation Committee may, in its absolute discretion, without amendment to the 1999 Omnibus Plan:

- (1) accelerate the date on which any option granted under the Plan becomes exercisable, waive or amend the operation of the Plan provisions respecting exercise after termination of employment or otherwise adjust any of the terms of such option,
- (2) accelerate the vesting or waive any condition imposed with respect to any restricted stock, and
- (3) otherwise adjust any of the terms applicable to any award.

#### AWARDS UNDER THE 1999 OMNIBUS PLAN

STOCK OPTIONS. Unless otherwise determined by the Compensation Committee, options granted to employees and consultants pursuant to the 1999 Omnibus Plan become exercisable ratably over three years commencing on the first anniversary of the date of grant. The "option exercise price," which is the purchase price per share payable upon the exercise of an option, will be established by the Compensation Committee; provided, however, that the option exercise price may be no less than the "fair market value" of a share of Common Stock on the date of grant, which is determined as the closing sales price of a share of Common Stock on the NASDAQ Stock Market for the date immediately preceding the date of grant on which there was a sale of Common Stock. The option exercise price is payable by any one of the following methods or a combination thereof:

- (1) in cash or by personal check, certified check, bank cashier's check or wire transfer;

8

- (2) subject to the approval of the Compensation Committee, in shares of Common Stock owned by the optionee for at least six months prior to the date of exercise and valued at their fair market value on the effective date of such exercise; or
- (3) in such other manner as the Compensation Committee may from time to time authorize.

RESTRICTED STOCK. The Compensation Committee may authorize the Company to issue restricted shares of Common Stock to such persons, in such amounts, and subject to such terms and conditions, including the attainment of performance goals, which performance goals may be based upon one or more of the following criteria: pre-tax or after-tax income; operating profit; return on equity, assets, capital or investment; earnings or book value per share; sales or revenues; operating expenses; stock price appreciation; and the implementation or completion of critical projects or processes, as the Compensation Committee may determine in its discretion. Unless the Compensation Committee determines otherwise, termination of employment during the restricted period will result in the forfeiture by the participant of all shares still subject to restrictions.

OTHER AWARDS. Other awards valued in whole or in part by reference to, or otherwise based on, shares of Common Stock may be granted either alone or in addition to other awards under the 1999 Omnibus Plan. Subject to the provisions of the 1999 Omnibus Plan, the Compensation Committee has the sole and complete authority to determine the persons to whom and the time or times at which such other awards will be granted, the number of shares of Common Stock to be granted pursuant to such other awards and all other conditions of such other awards, including the attainment of performance goals.

NON-EMPLOYEE DIRECTOR OPTIONS. The 1999 Omnibus Plan currently provides that, unless otherwise determined by the Compensation Committee in its sole and absolute discretion, and without further action by the Board of Directors of priceline.com or its stockholders, each non-employee director will be granted a non-qualified stock option to purchase 20,000 shares of Common Stock on the date

such non-employee director joins the Board and will be granted a non-qualified stock option to purchase 10,000 shares of Common Stock as of the first business day following each annual meeting of stockholders of the Company. As described above, it is proposed that each non-employee director be granted a non-qualified stock option to purchase 20,000 shares of Common Stock as of the first business day following each annual meeting of stockholders of the Company. Unless otherwise determined by the Compensation Committee at the time of grant, each option will have a ten-year term, will become exercisable as to one-third of the shares subject to options on the first anniversary of the date of grant and, as to the balance, monthly in equal installments over the next twenty-four months following the first anniversary of the date of grant, and will have an exercise price per share equal to the fair market value of a share of Common Stock on the date of grant and otherwise be in accordance with the terms specified above for options granted to employees and consultants.

NEW PLAN BENEFITS

Except as set forth below, inasmuch as awards under the 1999 Omnibus Plan will be granted at the sole discretion of the Compensation Committee, it is not possible to determine the awards that will be granted during 2001. As of March 31, 2001, options covering 16,170,829 shares of Common Stock were outstanding under the 1999 Omnibus Plan.

The following table sets forth the non-qualified option grants that will be made to (a) non-employee directors as a group as of the first business day following the Stockholders' approval at the Annual Meeting of the proposed amendments to the 1999 Omnibus Plan, and (b) certain named executive officers in May and June 2001. The non-qualified option grants to the named executive officers set forth below were authorized in connection with a turnaround plan put in place by the Company in the fourth quarter 2000 (the "Turnaround Plan"). In connection with the Turnaround Plan, the named executive officers set forth below returned an aggregate of 8.45 million non-qualified options to the Company to ensure that a sufficient number of shares of Common Stock were available under the 1999 Omnibus Plan for option grants to employees in connection with the Turnaround Plan. In turn, the Company committed to issue the named executive officers set forth below non-qualified options, in the amounts set forth below, six months and one day after the return of the options.

CERTAIN FEDERAL INCOME TAX CONSEQUENCES

The following discussion is a brief summary of the principal United States Federal income tax consequences under current Federal income tax laws relating to awards under the 1999 Omnibus Plan. This summary is not intended to be exhaustive and, among other things, does not describe state, local or foreign income and other tax consequences.

NON-QUALIFIED STOCK OPTIONS. An optionee will not recognize any taxable income upon the grant of a non-qualified stock option. Priceline.com will not be entitled to a tax deduction with respect to the grant of a non-qualified stock option. Upon exercise of a non-qualified stock option, the excess of the fair market value of the Common Stock on the exercise date over the option exercise price will be taxable as compensation income to the optionee and will be subject to applicable withholding taxes. Priceline.com will generally be entitled to a

tax deduction at such time in the amount of such compensation income. The optionee's tax basis for the Common Stock received pursuant to the exercise of a non-qualified stock option will equal the sum of the compensation income recognized and the exercise price.

In the event of a sale of Common Stock received upon the exercise of a non-qualified stock option, any appreciation or depreciation after the exercise date generally will be treated as capital gain or loss.

INCENTIVE STOCK OPTIONS. An optionee will not recognize any taxable income at the time of grant or timely exercise of an incentive stock option and priceline.com will not be entitled to a tax deduction with respect to such grant or exercise. Exercise of an incentive stock option may, however, give rise to taxable compensation income subject to applicable withholding taxes, and a tax deduction to priceline.com, if the incentive stock option is not exercised on a timely basis (generally, while the optionee is employed by priceline.com or within 90 days after termination of employment) or if the optionee subsequently engages in a "disqualifying disposition," as described below.

A sale or exchange by an optionee of shares acquired upon the exercise of an incentive stock option more than one year after the transfer of the shares to such optionee and more than two years after the date of grant of the incentive stock option will result in any difference between the net sale proceeds and the exercise price being treated as long-term capital gain or loss to the optionee. If such sale or exchange takes place within two years after the date of grant of the incentive stock option or within one year from the date of transfer of the incentive stock option shares to the optionee, such sale or exchange will generally constitute a "disqualifying disposition" of such shares that will have the following results: any excess of (a) the lesser of (i) the fair market value of the shares at the time of exercise of the Incentive Stock Option and (ii) the amount realized on such disqualifying disposition of the shares over (b) the option exercise price of such shares, will be ordinary income to the optionee, subject to applicable withholding taxes, and priceline.com will be entitled to a tax deduction in the amount of such income. Any further gain or loss after the date of exercise generally will be treated as capital gain or loss.

RESTRICTED STOCK. A grantee will not recognize any income upon the receipt of restricted stock unless the holder elects under Section 83(b) of the Code, within thirty days of such receipt, to recognize ordinary income in an amount equal to the fair market value of the restricted stock at the time of receipt, less any amount paid for the shares. If the election is made, the holder will not be allowed a deduction for amounts subsequently

10

required to be returned to priceline.com. If the election is not made, the holder will generally recognize ordinary income, on the date that the restrictions to which the restricted stock are subject are removed, in an amount equal to the fair market value of such shares on such date, less any amount paid for the shares. At the time the holder recognizes ordinary income, priceline.com generally will be entitled to a deduction in the same amount.

Generally, upon a sale or other disposition of restricted stock with respect to which the holder has recognized ordinary income, for example, if a Section 83(b) election was previously made or the restrictions were previously removed, the holder will recognize capital gain or loss in an amount equal to the difference between the amount realized on such sale or other disposition and the holder's basis in such shares.

OTHER TYPES OF AWARDS. The grant of any other stock-based award generally will not result in income for the grantee or in a tax deduction for priceline.com. Upon the settlement of such an award, the grantee will recognize ordinary income equal to the aggregate value of the payment received, and priceline.com generally will be entitled to a tax deduction in the same amount.

### PROPOSAL 3

#### RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

We have selected Deloitte & Touche LLP as our independent auditors for the fiscal year ending December 31, 2001. We are submitting our selection of independent auditors for ratification by the stockholders at the Annual Meeting.

Deloitte & Touche LLP has audited our financial statements since July 1997. We expect that representatives of Deloitte & Touche LLP will be present at the Annual Meeting, will have an opportunity to make a statement if they wish and will be available to respond to appropriate questions.

The Company's Bylaws do not require that the stockholders ratify the selection of our independent auditors. However, we are submitting the selection of Deloitte & Touche LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders do not ratify the selection, the Board of Directors and the Audit Committee will reconsider whether or not to retain Deloitte & Touche LLP. Even if the selection is ratified, the Board of Directors and the Audit Committee in their discretion may change the appointment at any time during the year if we determine that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of the holders of a majority of the outstanding shares present, in person or represented by proxy, and entitled to vote at the Annual Meeting will be required to ratify the selection of Deloitte & Touche LLP. THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR PROPOSAL 3.

Commission initial reports of ownership and reports of changes in ownership of priceline.com Common Stock and other equity securities of the Company. Officers, directors and greater than ten percent stockholders are required by Securities and Exchange Commission regulations to furnish us with copies of all Section 16(a) forms they file.

As the result of an administrative error, Form 5s filed by the Company on behalf of Paul Allaire, Ralph Bahna, Paul Blackney, Richard Braddock, Jeffery Boyd, Thomas D'Angelo, Marshall Loeb, W. Michael McCadden, Robert Mylod, N.J.

Nicholas, Jr., Nancy Peretsman, Ronald Rose, Daniel Schulman and Trey Urbahn for the fiscal year ended December 31, 2000 were filed with the Securities and Exchange Commission one day late. Other than as set forth in this paragraph, to our knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required, during the fiscal year ended December 31, 2000, our officers, directors and greater than ten percent beneficial owners complied with the Section 16(a) filing requirements.

OTHER

The Company has been served with a complaint that purports to be a shareholder derivative action against the Company's Board of Directors and certain of its current executive officers, as well as the Company (as a nominal defendant). The complaint alleges breach of fiduciary duty. The action is captioned Mark Zimmerman v. priceline.com Incorporated, Jay Walker, R. Braddock, D. Schulman, P. Allaire, R. Bahna, P. Blackney, W. Ford, M. Loeb, N. Nicholas, N. Peretsman, 18473-NC, (Court of Chancery of Delaware, County of New Castle, State of Delaware). On February 6, 2001, all defendants moved to dismiss the complaint for failure to make a demand upon the Board of Directors and failure to state a cause of action upon which relief can be granted. The Company intends to defend vigorously against this action.

COMPENSATION ARRANGEMENTS

SCHULMAN EMPLOYMENT AGREEMENT. In December 2000, priceline.com entered into an amended and restated employment agreement with Daniel H. Schulman, the Company's President and Chief Executive Officer, which provides for a minimum salary of \$400,000 per year and expires on June 30, 2004.

Under the terms of his agreement, Mr. Schulman was granted 2.5 million shares of restricted Common Stock and, subject to the availability of a sufficient number of authorized shares under the Company's employee benefit plans, the Company committed to issue Mr. Schulman options to purchase 2.0 million shares of Common Stock on June 25, 2001. The options will have an exercise price equal to the fair market value of the Company's Common Stock on the date of grant. If Mr. Schulman is employed by the Company on the relevant vesting date:

- o one half of the options will vest on the date of grant and the remaining half will vest pro rata over the following eighteen month period; and
- o one half of the shares of the restricted Common Stock will vest on May 20, 2001 and the remaining half (the "Balance") will vest on December 20, 2002.

In addition, the Balance will also vest upon the achievement by the Company of pro forma net income for a twelve month period. Pro forma net income means the net income of the Company plus supplier warrant costs, option payroll taxes, stock compensation costs, restructuring and other one-time charges and preferred stock

dividends. The agreement accelerates the forgiveness of \$4.5 million of \$9.0 million in loans outstanding to Mr. Schulman.

In the event of a termination without cause, termination for good reason, termination for death or disability or a change of control of priceline.com, each as defined in the agreement, the vesting of the restricted stock and the options will be accelerated. In addition, in the event of a termination without cause or a termination for good reason, Mr. Schulman will be entitled to receive two times his base salary over a twelve month period following his termination. Subject to certain limitations, if severance remuneration payable under the agreement is held to constitute an "excess parachute payment" and Mr. Schulman becomes liable for any tax penalties on that payment, priceline.com will make a cash payment to him in an amount equal to the tax penalties plus an amount equal to any additional tax for which he will be liable as a result of receipt of the payment for such tax penalties and payment

for such reimbursement for additional tax. The agreement contains non-solicitation and non-disparagement provisions in the event of Mr. Schulman's termination of employment.

BOYD EMPLOYMENT AGREEMENT. In November 2000, priceline.com entered into an amended and restated employment agreement with Jeffery H. Boyd, the Company's Chief Operating Officer, which provides for a minimum salary of \$300,000 per year and expires on November 19, 2002.

Under the terms of his agreement, Mr. Boyd was granted 1.4 million shares of restricted Common Stock and, subject to the availability of a sufficient number of authorized shares under the Company's employee benefit plans, the Company committed to issue Mr. Boyd options to purchase 1.6 million shares of Common Stock on May 25, 2001. The options will have an exercise price equal to the fair market value of the Company's Common Stock on the date of grant. If Mr. Boyd is employed by the Company on the relevant vesting date:

- o one half of the options will vest on the date of grant and the remaining half will vest pro rata over the following eighteen month period; and
- o one half of the shares of the restricted Common Stock will vest on May 20, 2001 and the remaining half (the "Balance") will vest on November 20, 2002.

In addition, the Balance will vest upon the achievement by the Company of pro forma net income for a twelve month period. Pro forma net income means the net income of the Company plus supplier warrant costs, option payroll taxes, stock compensation costs, restructuring and other one-time charges and preferred stock dividends. The agreement accelerates the forgiveness of \$2.0 million of an outstanding loan to Mr. Boyd.

In the event of a termination without cause, termination for good reason, termination for death or disability or a change of control of priceline.com, each as defined in the agreement, the vesting of the restricted stock and the options will be accelerated. In addition, in the event of a termination without cause or a termination for good reason, Mr. Boyd will be entitled to receive two times his base salary over a twelve month period following his termination. Subject to certain limitations, if severance remuneration payable under the agreement is held to constitute an "excess parachute payment" and Mr. Boyd becomes liable for any tax penalties on that payment, priceline.com will make a cash payment to him in an amount equal to the tax penalties plus an amount equal to any additional tax for which he will be liable as a result of receipt of the payment for such tax penalties and payment for such reimbursement for additional tax. The agreement contains non-solicitation and non-disparagement provisions in the event of Mr. Boyd's termination of employment.

MCCADDEN EMPLOYMENT AGREEMENT. In November 2000, priceline.com entered into an employment agreement with W. Michael McCadden, the Company's Chief Marketing Officer, which provides for a minimum salary of \$300,000 per year and expires on November 19, 2002.

Under the terms of his agreement, Mr. McCadden was granted 1.0 million shares of restricted Common Stock and, subject to the availability of a sufficient number of authorized shares under the Company's employee benefit plans, the Company committed to issue Mr. McCadden options to purchase 1.0 million shares of Common Stock on May 25, 2001. The options will have an exercise price equal to the fair market value of the Company's Common Stock on the date of grant. If Mr. McCadden is employed by the Company on the relevant vesting date:

- o one half of the options will vest on the date of grant and the remaining half will vest pro rata over the following eighteen month period; and

19

- o one half of the shares of the restricted Common Stock will vest on May 20, 2001 and the remaining half (the "Balance") will vest on November 20, 2002.

In addition, the Balance will vest upon the achievement by the Company of pro forma net income for a twelve month period. Pro forma net income means the net

income of the Company plus supplier warrant costs, option payroll taxes, stock compensation costs, restructuring and other one-time charges and preferred stock dividends. The agreement provides for a one-time cash retention bonus of \$1.3 million to be paid to Mr. McCadden on May 20, 2001.

In the event of a termination without cause, termination for good reason, termination for death or disability or a change of control of priceline.com, each as defined in the agreement, the vesting of the restricted stock and the options will be accelerated. In addition, in the event of a termination without cause or a termination for good reason, Mr. McCadden will be entitled to receive two times his base salary over a twelve month period following his termination. Subject to certain limitations, if severance remuneration payable under the agreement is held to constitute an "excess parachute payment" and Mr. McCadden becomes liable for any tax penalties on that payment, priceline.com will make a cash payment to him in an amount equal to the tax penalties plus an amount equal to any additional tax for which he will be liable as a result of receipt of the payment for such tax penalties and payment for such reimbursement for additional tax. The agreement contains non-solicitation and non-disparagement provisions in the event of Mr. McCadden's termination of employment.

D'ANGELO EMPLOYMENT AGREEMENT. In February 2001, priceline.com entered into an agreement with Thomas P. D'Angelo, the Company's Senior Vice President Finance and Comptroller. Under the terms of the agreement, in the event of a termination without cause or a termination for good reason, each as defined in the agreement, Mr. D'Angelo will be entitled to receive his base salary of \$200,000 over a twelve month period following his termination.

#### REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

We constitute the Compensation Committee of the Board of Directors of priceline.com Incorporated. None of us has been an officer or employee of priceline.com. We are responsible for establishing the compensation for the executive officers, including the Chief Executive Officer, of priceline.com.

#### COMPENSATION PHILOSOPHY AND OBJECTIVES

The goals of priceline.com's compensation program are to align compensation with the Company's and each executive's business objectives and performance and to enable priceline.com to attract, retain and reward executive officers and other key employees who contribute to priceline.com's long-term success and to motivate them to enhance long-term stockholder value. Priceline.com's compensation emphasizes equity based incentive compensation through stock options or, in certain instances, restricted stock, rather than high levels of fixed or variable cash compensation.

During the second half of 2000, priceline.com experienced a decrease in the momentum of its business and a significant decline in its stock price. As a result, in the fourth quarter 2000, priceline.com designed and put in place a turnaround plan, a critical component of which was to retain and continue to motivate the Company's executive officers and key employees and further align their interests with the long-term interests of priceline.com's stockholders. At the time priceline.com's turnaround plan was initiated, we believed that it was essential that priceline.com maintain the continuity of its senior management and key employees in order to facilitate the turnaround plan. We also believed that maintaining the continuity of senior management would differentiate priceline.com from other companies in the e-commerce arena that were experiencing a flight of senior management and employee talent.

We worked with priceline.com's senior executive officers and outside compensation consultants to develop a compensation program designed to achieve these goals and we approved a compensation program that consists of a mix of salary, cash retention bonuses, equity incentives, including stock options and restricted stock, and, in two instances, the acceleration of the forgiveness of outstanding loans.

#### COMPENSATION COMPONENTS

**BASE SALARY.** We meet at least annually to review and approve each executive officer's salary for the ensuing year. When reviewing base salaries, we consider the following factors: competitive pay practices, individual performance against goals, levels of responsibility, breadth of knowledge and prior experience. The relative importance of these factors varies, depending on the individual whose salary is being reviewed.

**CASH RETENTION BONUSES.** In connection with the turnaround plan, priceline.com paid one-time cash retention bonuses to certain executive officers and key employees. The retention bonuses were designed to encourage these executive officers and key employees to remain with priceline.com during at least the first phase of the Company's turnaround plan, and preferably longer. As a result, these employees were informed at the time that the turnaround plan was initiated that they were to receive a one-time cash retention bonus earned as of December 31, 2000 to be paid in February 2001. In addition, as part of the Company's effort to maintain the continuity of its senior management, priceline.com's Chief Marketing Officer was given a one-time cash retention bonus earned as of December 31, 2000 to be paid in May 2001.

**STOCK OPTIONS.** Priceline.com's stock option plans are designed to provide its employees and directors with an incentive which aligns their interests with those of priceline.com's stockholders in achieving the Company's long-term goals. Initial grants of stock options are generally made to eligible employees upon commencement of employment, with additional grants being made to certain employees periodically or following a significant change in job responsibilities, scope or title. Stock options under the option plans generally vest over a three-year period and expire ten years from the date of grant. The exercise price of options granted under the plans is the fair market value of the Common Stock on the date of grant.

The Company made additional grants of stock options to each of its executive officers and key employees in August and November 2000. To ensure that a sufficient number of shares of Common Stock were authorized for issuance under the Company's stock option plan for the option grants to employees in November 2000, Dan Schulman (Chief Executive Officer), Jeffery Boyd (Chief Operating Officer) and Michael McCadden (Chief Marketing Officer) returned 7.0 million, 800,000 and 650,000 options, respectively, to the Company. The

November option grants were designed to retain employees through at least the first six months of priceline.com's turnaround plan -- a time period during which we believed the full progress of the Company's turnaround plan was unlikely to be ascertainable and, as a result, the Company was most at risk of losing its employees. As a result, the vesting provisions related to the November grant of stock options were different from previous grants -- half of the stock options vested over six months and the remaining half over the following eighteen month period.

The number of stock options granted to each participant under the option plans is generally determined by guidelines reviewed by the Committee. These guidelines combine several factors, including the performance and salary level of each participant as well as the market price of the stock at the time of grant.

**RESTRICTED STOCK.** In connection with the Company's turnaround plan, priceline.com granted certain executive officers shares of restricted stock. In general, half of the shares of restricted stock vest six months from the date of grant and the remaining half (the "BALANCE") vest two years from the date of grant. To further align executive incentives with the primary goal underlying the Company's turnaround plan -- achieving profitability -- the Balance will vest earlier if the Company achieves pro forma net income (as defined) for a twelve month period. Pro forma net income means the net income of priceline.com plus supplier warrant costs, option payroll taxes, stock compensation costs,

restructuring and other one-time charges and preferred stock dividends.

LOAN FORGIVENESS. Priceline.com accelerated the forgiveness of loans outstanding to two executive officers -- Mr. Schulman, priceline.com's Chief Executive Officer, whose loan forgiveness is described below, and Mr. Boyd, priceline.com's Chief Operating Officer. By their terms, each of these loans was to be forgiven upon Mr. Schulman's or Mr. Boyd's continued employment with the Company for five years or in the event of certain changes of control, death, or termination without cause or for good reason. Mr. Boyd's employment arrangement at the time he joined priceline.com included a loan of \$2.0 million, which was intended to mitigate a decrease in cash compensation he experienced when joining priceline.com. Priceline.com accelerated the forgiveness of Mr. Boyd's loan in connection with his promotion from General Counsel to Chief Operating Officer and his corresponding assumption of more significant responsibilities within the Company.

#### 2000 COMPENSATION FOR THE CHIEF EXECUTIVE OFFICER

In May 2000, Mr. Braddock, the Chairman of the Board of Directors, stepped down as Chief Executive Officer of priceline.com and Mr. Schulman was promoted to Chief Executive Officer. In connection with his promotion to Chief Executive Officer, Mr. Schulman was given a loan of \$3.0 million and options to purchase 500,000 shares of Common Stock. In August 2000, as a retention measure following a significant decline in priceline.com's stock price over the first seven months of 2000, the Company granted Mr. Schulman options to purchase 3 million shares of Common Stock, half of which had an exercise price approximately 20% above the fair market value of priceline.com's common stock on the date of grant.

As described above, at the time priceline.com's turnaround plan was put in place in the fourth quarter 2000, we believed that it was critical for priceline.com to maintain senior management continuity in order to facilitate the Company's turnaround plan and differentiate priceline.com from other companies in the e-commerce arena that were experiencing a flight of senior management talent. These objectives, and not specific measures of priceline.com's performance during 2000, guided our compensation decisions.

With these goals in mind, we worked with the Company's senior management and consulted with outside compensation consultants and restructured Mr. Schulman's compensation in December 2000. As discussed above, as part of this restructuring, Mr. Schulman returned options to purchase 7.0 million shares of Common Stock to the Company. In return, the Company accelerated the forgiveness of \$4.5 million of \$9.0 million in loans outstanding to Mr. Schulman. Priceline.com also granted Mr. Schulman 2.5 million shares of restricted stock, half of which vest in May 2001 and the remaining half of which vest in December 2002. Subject to the availability of a sufficient number of shares authorized for issuance under priceline.com's option plans, the Company committed to issue Mr. Schulman options to purchase 2.0 million shares of priceline.com stock, six months and one day after his forfeiture of options. The options will have an exercise price equal to the fair market value of the Company's Common Stock on the date of grant. In addition, effective January 1, 2001, Mr. Schulman's base salary was increased from \$300,000 to \$400,000.

22

In December 2000, Mr. Braddock, Chairman of priceline.com, became more involved in addressing strategic issues confronting the Company and, as recognition for his increased involvement, was granted 750,000 shares of restricted stock. During 2000, Mr. Braddock agreed to stop receiving a salary, which had been \$300,000 per year, and repaid the principal of \$3.3 million on a loan to him from the Company. The Company forgave interest of \$294,000 that was due on the loan.

#### SECTION 162(M) OF THE INTERNAL REVENUE CODE

Section 162(m) of the Internal Revenue Code of 1986 limits deductions for federal income tax purposes to \$1 million of compensation paid to certain named executive officers in a taxable year. Compensation above \$1 million may be deducted if it is "performance-based compensation." We do not expect this limitation to affect the Company in 2000. The Company reserves the right to utilize compensation plans which will not qualify as "performance-based compensation" and for which deductibility will be so limited.

EMPLOYEE COMPENSATION

One of priceline.com's most important assets is its employees. We believe the market for talented people who conceive, design, build, maintain and manage priceline.com's technology and products is highly competitive. Unless the Company's compensation policies are competitive, it will risk losing its employees and the viability of its business could be jeopardized. As a result of the significant decline in priceline.com's stock price during 2000, stock options granted during 1999 and the first half of 2000 no longer served as meaningful incentive or retention compensation vehicles. To address this problem, priceline.com made two separate special broad based grants of stock options to non-executive employees -- the first in August 2000, following a general and significant decline in priceline.com's stock price over the first seven months of 2000, and the second in November 2000 in connection with the initiation of priceline.com's turnaround plan (the "November 2000 Option Grant"). In addition, in November 2000, in connection with the initiation of its turnaround plan, priceline.com informed certain employees that they were to receive a one-time cash retention bonus to be paid in February 2001 (the "February 2001 Cash Bonus").

The February 2001 Cash Bonus and the November 2000 Option Grant were designed to retain employees through at least the first three and six months, respectively, of the Company's turnaround plan -- time periods during which we believed the Company was most at risk of losing its employees. The vesting provisions related to the November 2000 Option Grant were different from previous grants -- half of the stock options vested six months from the date of grant and the remaining half over the following eighteen month period.

We carefully considered these compensation measures, taking into account stockholders' concerns and the advice of outside compensation consultants, and felt that these actions were critical to our continuing efforts to retain the Company's employees and guide priceline.com through its turnaround.

- (ee) "Rule 16b-3" shall mean the Rule 16b-3 promulgated under the Exchange Act, as amended from time to time.
- (ff) "Securities Act" shall mean the Securities Act of 1933, as amended from time to time.
- (gg) "Stock" means shares of the common stock, par value \$.01 per share, of the Company.
- (hh) "Subsidiary" means any corporation in an unbroken chain of corporations beginning with the Company if, at the time of granting of an Award, each of the corporations (other than the last corporation in the unbroken chain) owns stock possessing 50% or more of the total combined voting power of all classes of stock in one of the other corporations in the chain.
- (ii) "Vesting Date" shall mean the date established by the Committee on which Restricted Stock may vest.

### 3. STOCK SUBJECT TO THE PLAN.

The maximum number of shares of Stock reserved for the grant or settlement of Awards under the Plan shall be 25,375,000 shares, subject to adjustment as provided herein. No more than 7,500,000 shares of Stock may be awarded in respect of Options, no more than 2,500,000 shares of Stock may be awarded in respect of Restricted Stock and no more than 5,000,000 shares of Stock may be awarded in respect of Other Stock-Based Awards to a single individual in any given year during the life of the Plan, which amounts shall be subject to adjustment as provided herein. Determinations made in respect of the limitation set forth in the preceding sentence shall be made in a manner consistent with Section 162(m) of the Code. Such shares may, in whole or in part, be authorized but unissued shares or shares that shall have been or may be reacquired by the Company in the open market, in private transactions or otherwise. If any shares subject to an Award are forfeited, canceled, exchanged or surrendered or if an Award otherwise terminates or expires without a distribution of shares to the holder of such Award, the shares of Stock with respect to such Award shall, to the extent of any such forfeiture, cancellation, exchange, surrender, termination or expiration, again be available for Awards under the Plan.

Except as provided in an Award Agreement, in the event that the Committee shall determine that any dividend or other distribution (whether in the form of cash, Stock, or other property), recapitalization, Stock split, reverse split, reorganization, merger, consolidation, spin-off, combination, repurchase, or share exchange, or other similar corporate transaction or event, affects the Stock such that an adjustment is appropriate in order to prevent dilution or enlargement of the rights of holders of Awards under the Plan, then the Committee shall make such equitable changes or adjustments as it deems necessary or appropriate to any or all of (i) the number and kind of shares of Stock or other property (including cash) that may thereafter be issued in connection with Awards, (ii) the number and kind of shares of Stock or other property (including cash) issued or issuable in respect of outstanding Awards, (iii) the exercise price, grant price, or purchase price relating to any Award; provided that, with respect to Incentive Stock Options, such adjustment shall be made in accordance with Section 424(h) of the Code, (iv) the Performance Goals and (v) the individual limitations applicable to Awards.

### 4. ADMINISTRATION OF THE PLAN.

The Plan shall be administered by the Committee. The Committee shall have the authority in its sole discretion, subject to and not inconsistent with

the express provisions of the Plan, to administer the Plan and to exercise all the powers and authorities either specifically granted to it under the Plan or necessary or advisable in the administration of the Plan, including, with out limitation, the authority to grant Awards; to determine the persons to whom and the time or times at which Awards shall be granted; to determine the type and number of Awards to be granted, the number of shares of Stock to which an Award may relate and the terms, conditions, restrictions and Performance Goals relating to any Award; to determine whether, to what extent, and under what circumstances an Award may be settled, canceled, forfeited, exchanged, or surrendered; to make adjustments in the Performance Goals in recognition of unusual or non-recurring events affecting the Company or the financial statements of the Company (to the extent not inconsistent with Section 162(m) of the Code, if applicable), or in response to changes in applicable laws, regulations, or accounting principles; to construe and interpret the Plan and any Award; to prescribe, amend and rescind rules and regulations relating to the Plan; to determine the terms and provisions of Agreements; and to make all other determinations deemed necessary or advisable for the administration of the Plan.

37

The Committee may, in its absolute discretion, without amendment to the Plan, (a) accelerate the date on which any Option granted under the Plan becomes exercisable, waive or amend the operation of Plan provisions respecting exercise after termination of employment or otherwise adjust any of the terms of such Option, (b) accelerate the Vesting Date or waive any condition imposed hereunder with respect to any Restricted Stock and (c) otherwise adjust any of the terms applicable to any Award; provided, however, in each case, that in the event of the occurrence of a Change in Control, the provisions of Section 10 hereof shall govern vesting and exercisability schedule of any Award granted hereunder.

No member of the Committee shall be liable for any action, omission or determination relating to the Plan, and the Company shall indemnify (to the extent permitted under Delaware law) and hold harmless each member of the Committee and each other director or employee of the Company to whom any duty or power relating to the administration or interpretation of the Plan has been delegated against any cost or expense (including counsel fees) or liability (including any sum paid in settlement of a claim with the approval of the Committee) arising out of any action, omission or determination relating to the Plan, unless, in either case, such action, omission or determination was taken or made by such member, director or employee in bad faith and without reasonable belief that it was in the best interests of the Company.

5. ELIGIBILITY.

Incentive Stock Options shall be granted only to key employees (including officers and directors who are also employees) of the Company, its parent or any of its Subsidiaries. All other Awards may be granted to officers, independent contractors, key employees and non-employee directors of the Company or of any of its Subsidiaries and Affiliates.

6. AWARDS UNDER THE PLAN; NON-EMPLOYEE DIRECTOR GRANTS

(a) Grants. The Committee may grant Options, Restricted Stock and Other Stock-Based Awards to Participants in such amounts and on such terms and conditions, not inconsistent with the Plan, as the Committee shall determine in its sole and absolute discretion.

(b) Non-Employee Director Grants. Unless determined otherwise by the Committee in its sole and absolute discretion, and without further action by the Board or the stockholders of the Company, each Non-Employee Director shall, subject to the terms of the Plan, be granted a Non-Qualified Option to purchase (1) 20,000 shares of Stock as of the date the Non-Employee Director begins service as a Non-Employee Director and (2) an additional Option to purchase 10,000 shares of Stock as of the first business day following each annual meeting of stockholders of the Company, provided that the individual is a Non-Employee Director on such date. Unless otherwise determined by the Committee at the time of grant, each such Option shall be for a ten (10) year term, shall become exercisable as to one-third of the shares subject to the Option on the first anniversary of the date of grant and as to the balance monthly in equal installments over the next twenty-four months following such first anniversary, shall be granted at a per share exercise price equal to the Fair Market Value and

otherwise be in accordance with Section 7 of this Plan.

(c) Agreements. Each Award granted under the Plan shall be evidenced by an Agreement that shall contain such provisions as the Committee may, in its sole and absolute discretion, deem necessary or desirable. By accepting an Award, a Participant thereby agrees that the Award shall be subject to all terms and provisions of the Plan and the applicable Agreement.

(d) Notwithstanding the above, no grants under Section (b) above shall be made to the extent it would exceed the limitations set forth in Section 3 of the Plan with any grants then due being cut back *pari passu* and such non-made grants automatically being made at such time as they may be made under Section 3 (other than as a result of an amendment thereof).

7. OPTIONS.

(a) IDENTIFICATION OF OPTIONS. Each Option shall be clearly identified in the applicable Agreement as either an Incentive Stock Option or a Non-Qualified Option.

38

(b) EXERCISE PRICE. Each Agreement with respect to an Option shall set forth the exercise price per share of Stock payable by the grantee to the Company upon exercise of the Option. The exercise price per share of Stock shall be determined by the Committee; provided, however, that in no case shall an Option have an exercise price per share of Stock that is less than the Fair Market Value of a share of Stock on the date the Option is granted.

(c) TERM AND EXERCISE OF OPTIONS.

- (1) Unless the applicable Agreement provides otherwise, an Option shall become cumulatively exercisable as to 33 1/3% percent of the Units covered thereby on each of the first, second and third anniversaries of the date of grant. The Committee shall determine the expiration date of each Option; provided, however, that no Option shall be exercisable more than 10 years after the date of grant. Unless the applicable Agreement provides otherwise and except in the event of a Change in Control, no Option shall be exercisable prior to the first anniversary of the date of grant.
- (2) An Option may be exercised for all or any portion of the Stock as to which it is exercisable, provided that no Partial Exercise of an Option shall be for an aggregate exercise price of less than \$100.00. The Partial Exercise of an Option shall not cause the expiration, termination or cancellation of the remaining portion thereof.
- (3) An Option shall be exercised by delivering notice to the Company's principal office, to the attention of its Secretary. Such notice shall be accompanied by the applicable Agreement, shall specify the number of shares of Stock with respect to which the Option is being exercised and the effective date of the proposed exercise and shall be signed by the Participant or other person then having the right to exercise the Option. Payment for Stock purchased upon the exercise of an Option shall be made on the effective date of such exercise by one or a combination of the following means: (i) in cash or by personal check, certified check, bank cashier's check or wire transfer; (ii) subject to the approval of the Committee, in Stock owned by the Participant for at least six months prior to the date of exercise and valued at their Fair Market Value on the effective date of such exercise; or (iii) subject to the approval of the Committee, by such other provision as the Committee may from time to time authorize.

- (4) Certificates for Stock purchased upon the exercise of an Option shall be issued in the name of the Participant or other person entitled to receive such Stock, and delivered to the Participant or such other person as soon as practicable following the effective date on which the Option is exercised.
- (5) The Committee shall have the authority to specify, at the time of grant or, with respect to Non-Qualified Options, at or after the time of grant, that a Participant shall be granted a new Non-Qualified Option (a "Reload Option") for a number of shares of Stock equal to the number of shares of Stock surrendered by the Participant upon exercise of all or a part of an Option in the manner described in Section 7(c)(3)(ii) above, subject to the availability of Stock under the Plan at the time of such exercise; provided, however, that no Reload Option shall be granted to a Non-Employee Director. Reload Options shall be subject to such conditions as may be specified by the Committee in its discretion, subject to the terms of the Plan.

(d) LIMITATIONS ON INCENTIVE STOCK OPTIONS.

- (1) To the extent that the aggregate Fair Market Value of Stock of the Company with respect to which Incentive Stock Options are exercisable for the first time by a Participant during any calendar year under the Plan and any other option plan of the Company (or any Subsidiary) shall exceed \$100,000, such Options shall be treated as Non-Qualified Options. Such Fair Market Value shall be determined as of the date on which each such Incentive Stock Option is granted.

39

- (2) No Incentive Stock Option may be granted to an individual if, at the time of the proposed grant; such individual owns (or is attributed to own by virtue of the Code) Stock possessing more than ten (10) percent of the total combined voting power of all classes of stock of the Company or any Subsidiary unless (i) the exercise price of such Incentive Stock Option is at least 110 percent of the Fair Market Value of a share of Stock at the time such Incentive Stock Option is granted and (ii) such Incentive Stock Option is not exercisable after the expiration of five years from the date such Incentive Stock Option is granted.

(e) EFFECT OF TERMINATION OF EMPLOYMENT.

- (1) Unless the applicable Agreement provides otherwise, in the event that the employment, directorship or consultancy (together, hereinafter referred to as "employment") of a Participant with the Company shall terminate for any reason other than Cause, Disability or death, (i) Options granted to such Participant, to the extent that they are exercisable at the time of such termination, shall remain exercisable until the date that is 90 days after such termination, on which date they shall expire, and (ii) Options granted to such Participant, to the extent that they were not exercisable at the time of such termination, shall expire at the close of business on the date of such termination. The 90 day period described in this Section 7(e)(1) shall be extended to one year from such termination, in the event of the Participant's death during such 90 day period. Notwithstanding the foregoing, no Option shall be exercisable after the expiration of its term.
- (2) Unless the applicable Agreement provides otherwise, in the event that the employment of a Participant with the Company shall terminate on account of the Disability or

death of the Participant, (i) Options granted to such Participant, to the extent that they were exercisable at the time of such termination, shall remain exercisable until the first anniversary of such termination, on which date they shall expire, and (ii) Options granted to such Participant, to the extent that they were not exercisable at the time of such termination, shall expire at the close of business on the date of such termination; provided, however, that no Option shall be exercisable after the expiration of its term.

- (3) In the event of the termination of a Participant's employment for Cause, all out standing Options granted to such Participant shall expire as of the commencement of business on the date of such termination.

8. RESTRICTED STOCK.

- (a) ISSUE DATE AND VESTING DATE. At the time of the grant of Restricted Stock, the Committee shall establish an Issue Date or Issue Dates and a Vesting Date or Vesting Dates with respect to such shares of Restricted Stock. The Committee may divide such shares of Restricted Stock into classes and assign a different Issue Date and/or Vesting Date for each class. If the grantee is employed by the Company on an Issue Date (which may be the date of grant), the specified number of shares of Restricted Stock shall be issued in accordance with the provisions of Section 8(e). Provided that all conditions to the vesting of Restricted Stock imposed pursuant to Section 8(b) are satisfied, and except as provided in Section 8(g), upon the occurrence of the Vesting Date with respect to Restricted Stock, such Restricted Stock shall vest and the restrictions of Section 8(c) shall lapse.
- (b) CONDITIONS TO VESTING. At the time of the grant of Restricted Stock, the Committee may impose such restrictions or conditions to the vesting of such Restricted Stock as it, in its absolute discretion, deems appropriate, including the attainment of Performance Goals.
- (c) RESTRICTIONS ON TRANSFER PRIOR TO VESTING. Prior to the vesting of any Restricted Stock, no transfer of a Participant's rights with respect to such Restricted Stock, whether voluntary or involuntary, by operation of law or otherwise, shall be permitted. Immediately upon any attempt to transfer such rights, such Restricted Stock, and all of the rights related thereto, shall be forfeited by the Participant.

40

- (d) DIVIDENDS ON RESTRICTED STOCK. The Committee in its discretion may require that any dividends or distributions paid on Restricted Stock be held in escrow until all restrictions on such Restricted Stock has lapsed.
- (e) ISSUANCE OF CERTIFICATES.
- (1) Reasonably promptly after the Issue Date with respect to Restricted Stock, the Company shall cause to be issued a certificate, registered in the name of the Participant to whom such shares of Restricted Stock were granted, evidencing such shares of Restricted Stock; provided that the Company shall not cause such a certificate to be issued unless it has received a power of attorney duly endorsed in blank with respect to such shares of Restricted Stock. Each such certificate shall bear the following legend:

THE TRANSFERABILITY OF THIS CERTIFICATE AND THE STOCK REPRESENTED HEREBY ARE SUBJECT TO THE RESTRICTIONS, TERMS AND CONDITIONS (INCLUDING FORFEITURE PROVISIONS AND RESTRICTIONS AGAINST TRANSFER) CONTAINED IN THE PRICELINE.COM 1999 OMNIBUS PLAN AND AN AGREEMENT ENTERED INTO BETWEEN THE REGISTERED OWNER OF SUCH STOCK

AND PRICELINE.COM. A COPY OF THE 1999 OMNIBUS PLAN AND AGREEMENT IS ON FILE WITH THE SECRETARY OF THE COMPANY.

Such legend shall not be removed until such Stock vests pursuant to the terms hereof.

- (2) Each certificate issued pursuant to this Section 8(e), together with the powers relating to the Restricted Stock evidenced by such certificate, shall be held by the Company unless the Committee determines otherwise.
- (f) CONSEQUENCES OF VESTING. Upon the vesting of any Restricted Stock pursuant to the terms hereof, the restrictions of Section 8(c) shall lapse with respect to such Restricted Stock. Reasonably promptly after any Restricted Stock vests, the Company shall cause to be delivered to the Participant to whom such shares of Restricted Stock were granted a certificate evidencing such Stock, free of the legend set forth in Section 8(e).
- (g) EFFECT OF TERMINATION OF EMPLOYMENT. Subject to such other provision as the Committee may set forth in the applicable Agreement, and to the Committee's amendment authority pursuant to Section 4, upon the termination of a Participant's employment for any reason other than Cause, any and all Stock to which restrictions on transferability apply shall be immediately forfeited by the Participant and transferred to, and reacquired by, the Company; provided that if the Committee, in its sole discretion, shall within thirty (30) days after such termination of employment notify the Participant in writing of its decision not to terminate the Participant's rights in such shares of Stock, then the Participant shall continue to be the owner of such shares of Stock subject to such continuing restrictions as the Committee may prescribe in such notice. In the event of a forfeiture of Stock pursuant to this section, the Company shall repay to the Participant (or the Participant's estate) any amount paid by the Participant for such shares of Stock. In the event that the Company requires a return of Stock, it shall also have the right to require the return of all dividends or distributions paid on such Stock, whether by termination of any escrow arrangement under which such dividends or distributions are held or otherwise.
- (1) In the event of the termination of a Participant's employment for Cause, all shares of Restricted Stock granted to such Participant which have not vested as of the date of such termination shall immediately be returned to the Company, together with any dividends or distributions paid on such shares of Stock, in return for which the Company shall repay to the Participant any amount paid by the Participant for such shares of Stock.
- (h) SPECIAL PROVISIONS REGARDING AWARDS. Notwithstanding anything to the contrary contained herein, Restricted Stock granted pursuant to this Section 8 to Executive Officers may be based on the attainment by the Company (or a Subsidiary or division of the Company if applicable) of Performance Goals pre-established by the Committee.

41

9. OTHER STOCK-BASED AWARDS.

Other forms of Awards valued in whole or in part by reference to, or otherwise based on, shares of Stock ("Other Stock-Based Awards") may be granted either alone or in addition to other Awards under the Plan. Subject to the provisions of the Plan, the Committee shall have sole and complete authority to determine the persons to whom and the time or times at which such Other Stock-Based Awards shall be granted, the number of shares of Stock to be granted pursuant to such Other Stock-Based Awards and all other conditions of such Other Stock-Based Awards, including the attainment of Performance Goals.

10. CHANGE IN CONTROL.

Notwithstanding anything in the Plan to the contrary, upon the

occurrence of a Change in Control, any Award issued prior to April 25, 2000 carrying a right to exercise that was not previously exercisable and vested, shall become fully exercisable and vested and the restriction and forfeiture conditions applicable to any other such Award shall lapse and such Award shall be deemed fully vested. In the case of any Award made on or after the aforesaid date, no acceleration of exercisability, vesting or lapsing shall occur on a Change in Control except to the extent, if any, provided in the specific Award Agreement or as otherwise determined by the Committee or the Board. Notwithstanding anything in the Plan to the contrary, upon the occurrence of a Change in Control, the purchaser(s) of the Company's assets or stock may, in his, her, or its discretion, deliver to the holder of an Award the same kind of consideration that is delivered to the stockholders of the Company as a result of such sale, conveyance or Change in Control, or the Board may cancel all outstanding Options in exchange for consideration in cash or in kind which consideration in both cases shall be equal in value to the higher of (i) the Fair Market Value of those shares of Stock or other securities the holder of such Option would have received had the Option been exercised and no disposition of the shares acquired upon such exercise been made prior to such sale, conveyance or Change in Control, less the exercise price there for, and (ii) the Fair Market Value of those shares of Stock or other securities the holder of the Option would have received had the Option been exercised and no disposition of the shares acquired upon such exercise been made immediately following such sale, conveyance or Change in Control, less the exercise price therefor.

Upon dissolution or liquidation of the Company, all Options and other Awards granted under this Plan shall terminate, but each holder of an Option shall have the right, immediately prior to such dissolution or liquidation, to exercise his or her Option to the extent then exercisable.

11. RIGHTS AS A STOCKHOLDER.

No person shall have any rights as a stockholder with respect to any shares of Stock covered by or relating to any Award until the date of issuance of a certificate with respect to such shares of Stock. Except as otherwise expressly provided in Section 3(b), no adjustment to any Award shall be made for dividends or other rights prior to the date such certificate is issued.

12. NO SPECIAL EMPLOYMENT RIGHTS; NO RIGHT TO AWARD.

Nothing contained in the Plan or any Agreement shall confer upon any Participant any right with respect to the continuation of employment by the Company or interfere in any way with the right of the Company, subject to the terms of any separate employment agreement to the contrary, at any time to terminate such employment or to increase or decrease the compensation of the Participant.

No person shall have any claim or right to receive an Award hereunder. The Committee's granting of an Award to a participant at any time shall neither require the Committee to grant any other Award to such Participant or other person at any time or preclude the Committee from making subsequent grants to such Participant or any other person.

13. SECURITIES MATTERS.

- (a) The Company shall be under no obligation to effect the registration pursuant to the Securities Act of any interests in the Plan or any Stock to be issued hereunder or to effect similar compliance under any state laws. Notwithstanding anything herein to the contrary, the Company shall not be

obligated to cause to be issued or delivered any certificates evidencing Stock pursuant to the Plan unless and until the Company is advised by its counsel that the issuance and delivery of such certificates is in compliance with all applicable laws, regulations of governmental authority and the requirements of any securities exchange on which shares of Stock are traded. The Committee may require, as a condition of the issuance and delivery of certificates evidencing shares of Stock pursuant to the terms hereof, that the recipient of such shares of Stock make such agreements and representations, and that such certificates bear such legends, as the Committee, in its sole discretion, deems

necessary or desirable.

- (b) The transfer of any shares of Stock hereunder shall be effective only at such time as counsel to the Company shall have determined that the issuance and delivery of such shares of Stock is in compliance with all applicable laws, regulations of governmental authority, the requirements of any securities exchange on which shares of Stock are traded. The Committee may, in its sole discretion, defer the effectiveness of any transfer of Stock hereunder in order to allow the issuance of such Stock to be made pursuant to registration or an exemption from registration or other methods for compliance available under federal or state securities laws. The Committee shall inform the Participant in writing of its decision to defer the effectiveness of a transfer. During the period of such deferral in connection with the exercise of an Option, the Participant may, by written notice, withdraw such exercise and obtain the refund of any amount paid with respect thereto.

14. WITHHOLDING TAXES.

Whenever shares of Stock are to be delivered pursuant to an Award, the Company shall have the right to require the Participant to remit to the Company in cash an amount sufficient to satisfy any federal, state and local withholding tax requirements related thereto. With the approval of the Committee, a Participant may satisfy the foregoing requirement by electing to have the Company withhold from delivery shares of Stock having a value equal to the amount of tax to be withheld. Such shares of Stock shall be valued at their Fair Market Value on the date of which the amount of tax to be withheld is determined (the "Tax Date"). Fractional shares of Stock amounts shall be settled in cash. Such a withholding election may be made with respect to all or any portion of the Stock to be delivered pursuant to an Award.

15. NOTIFICATION OF ELECTION UNDER SECTION 83(B) OF THE CODE.

If any Participant shall, in connection with the acquisition of Stock under the Plan, make the election permitted under Section 83(b) of the Code (i.e., an election to include in gross income in the year of transfer the amounts specified in Section 83(b)), such Participant shall notify the Company of such election within 10 days of filing notice of the election with the Internal Revenue Service, in addition to any filing and a notification required pursuant to regulation issued under the authority of Section 83(b) of the Code.

16. NOTIFICATION UPON DISQUALIFYING DISPOSITION UNDER SECTION 421(B) OF THE CODE.

Each Participant shall notify the Company of any disposition of Stock issued pursuant to the exercise of an Incentive Stock Option under the circumstances described in Section 421(b) of the Code (relating to certain disqualifying dispositions), within 10 days of such disposition.

17. AMENDMENT OR TERMINATION OF THE PLAN.

The Board may, at any time, suspend or terminate the Plan or revise or amend it in any respect whatsoever; provided, however, that stockholder approval shall be required if and to the extent the Board determines that such approval is appropriate for purposes of satisfying Section 162(m) or 422 of the Code or is otherwise required by law or applicable stock exchange requirements. Awards may be granted under the Plan prior to the receipt of such approval but each such grant shall be subject in its entirety to such approval and no award may be exercised, vested or otherwise satisfied prior to the receipt of such approval. Nothing herein shall restrict the Committee's ability to exercise its discretionary authority pursuant to Section 4, which discretion may be exercised without amendment to the Plan. No action hereunder may, without the consent of a Participant, reduce the Participant's rights under any outstanding Award.

18. TRANSFERS UPON DEATH; NONASSIGNABILITY.

Upon the death of a Participant, outstanding Awards granted to such Participant may be exercised only by the executor or administrator of the Participant's estate or by a person who shall have acquired the right to such

exercise by will or by the laws of descent and distribution. No transfer of an Award by will or the laws of descent and distribution shall be effective to bind the Company unless the Committee shall have been furnished with (a) written notice thereof and with a copy of the will and/or such evidence as the Committee may deem necessary to establish the validity of the transfer and (b) an agreement by the transferee to comply with all the terms and conditions of the Award that are or would have been applicable to the Participant and to be bound by the acknowledgments made by the Participant in connection with the grant of the Award.

During a Participant's lifetime, the Committee may permit the transfer, assignment or other encumbrance of an outstanding Option unless (y) such Option is an Incentive Stock Option and the Committee and the Participant intend that it shall retain such status, or (z) such Option is meant to qualify for the exemptions available under Rule 16b-3, nontransferability is necessary under Rule 16b-3 in order for the award to so qualify and the Committee and the Participant intend that it shall continue to so qualify. Subject to any conditions as the Committee may prescribe, a Participant may, upon providing written notice to the Secretary of the Company, elect to transfer any or all Options granted to such Participant pursuant to the Plan to members of his or her immediate family, including, but not limited to, children, grandchildren and spouse or to trusts for the benefit of such immediate family members or to partnerships in which such family members are the only partners; provided, however, that no such transfer by any Participant may be made in exchange for consideration.

19. EXPENSES AND RECEIPTS.

The expenses of the Plan shall be paid by the Company. Any proceeds received by the Company in connection with any Award will be used for general corporate purposes.

20. FAILURE TO COMPLY.

In addition to the remedies of the Company elsewhere provided for herein, failure by a Participant (or beneficiary) to comply with any of the terms and conditions of the Plan or the applicable Agreement, unless such failure is remedied by such Participant (or beneficiary) within ten days after notice of such failure by the Committee, shall be grounds for the cancellation and forfeiture of such Award, in whole or in part, as the Committee, in its absolute discretion, may determine.

21. EFFECTIVE DATE AND TERM OF PLAN.

The Plan became effective on the Effective Date and, unless earlier terminated by the Board, the right to grant Awards under the Plan will terminate on the tenth anniversary of the Effective Date. Awards outstanding at Plan termination will remain in effect according to their terms and the provisions of the Plan.

22. APPLICABLE LAW.

Except to the extent preempted by any applicable federal law, the Plan will be construed and administered in accordance with the laws of the State of Delaware, without reference to its principles of conflicts of law.

23. PARTICIPANT RIGHTS.

No Participant shall have any claim to be granted any award under the Plan, and there is no obligation for uniformity of treatment for Participants. Except as provided specifically herein, a Participant or a transferee of an Award shall have no rights as a stockholder with respect to any shares of Stock covered by any award until the date of the issuance of a certificate or certificates to him or her for such shares of Stock.

24. UNFUNDED STATUS OF AWARDS.

The Plan is intended to constitute an "unfunded" plan for incentive and deferred compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any

Agreement shall give any such Participant any rights that are greater than those of a general creditor of the Company.

25. BENEFICIARY.

A Participant may file with the Committee a written designation of a beneficiary on such form as may be prescribed by the Committee and may, from time to time, amend or revoke such designation. If no designated beneficiary survives the Participant, the executor or administrator of the Participant's estate shall be deemed to be the grantee's beneficiary.

26. INTERPRETATION.

The Plan is designed and intended to comply with Rule 16b-3 and, to the extent applicable, with Section 162(m) of the Code, and all provisions hereof shall be construed in a manner to so comply.

27. SEVERABILITY.

If any provision of the Plan is held to be invalid or unenforceable, the other provisions of the Plan shall not be affected but shall be applied as if the invalid or unenforceable provision had not been included in the Plan.

Management is responsible for the preparation of the Company's financial statements and the independent auditors are responsible for auditing those financial statements. The Committee and the Board recognize that management and the independent auditors have more resources and time, and more detailed knowledge and information regarding the Company's accounting, auditing, internal control and financial reporting practices than the Committee does; accordingly the Committee's oversight role does not provide any expert or special assurances as to the financial statements and other financial information provided by the Company to its shareholders and others.

Although the Committee may wish to consider other duties from time to time, the general recurring activities of the Committee in carrying out its oversight role are described below. The Committee shall be responsible for:

- Reviewing the audited financial statements and discussing them with management and the independent auditors. These discussions shall include the matters required to be discussed under Statement of Auditing Standards No. 61 as may be modified or supplemented and other such inquiries as the Committee or the independent auditors shall deem appropriate. Based on such review, the Committee shall make its recommendation to the Board as to the inclusion of the Company's audited financial statements in the Company's Annual Report on Form 10-K.
- Issuing annually a report to be included in the Company's proxy statement as required by the rules of the Securities and Exchange Commission.

#### ROLE AND ORGANIZATION

The Committee assists the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing, internal control and financial reporting practices of the Company. It may also have such other duties as may from time to time be assigned to it by the Board.
